Yeshua's Difference Makers

His lights in the world

October 23, 2024

Yeshua (Jesus) has called us to be lights, difference-makers in this world. He asks us to intentionally put our light where it can be seen by others (Matthew 5:14-16). Our light is simply *Him in us!*

Regarding the upcoming election, we cannot just say, "God is sovereign, so whatever will be will be; He already knows who will win," and sit back and wait to see what happens, because, although the earth is just a speck of dust in this large universe, He is the One Who chose the earth to be inhabited by people, and He chose us to be His hands and feet and voice to carry out His purposes in this world. He chose *us* to wave His banner by stemming the tide of evil. He asks *us* to engage within our sphere to bring about His kingdom and will on earth as it is in heaven as best as we can. We have a part in what happens next.

When the prophet Hanani confronted king Asa about his negligence to seek God, Hanani wisely declared a message for us all,

"The eyes of the Lord move to and fro throughout the earth that He may strongly support those whose heart is complete His" (2 Chronicles 16:9).

We must seek God and choose His way. A vote is simply a choice; to *not* vote is also a choice. Neither candidate is perfect, but their names are associated with a platform of proposed policies that are starkly opposite. One promotes evil; the other promotes righteousness and justice. One party promotes everything God hates; the other (for the most part) promotes life, justice, health, truth, freedom, and peace. Here are just a few of the many critical issues facing us:

Let's choose against:

- Abortion up until birth and beyond
- Imprisonment without just trial
- Toxic food and toxic education in the schools
- Sexualization and mutilation of our children without parental consent
- Criminalization of righteous living.
- Increased government control.
- Restriction of free speech.
- Wasteful wars that bring destruction and death and benefit no one
- Allowance of criminals with wrong motives to storm our borders

Let's choose for:

- Helping mothers guard their health and save their babies
- Free and fair trials
- School choice and healthy, available food
- Safety for our children to grow in His love and within the family structure God created
- Freedom to express our love of God.
- Decreased government control.
- Freedom to speak.
- Negotiation that brings peace
- Vetting (a careful examination) of people who want to live with us
